

Rainforest & South America

Dates	Theme	Geography	Circle & Share Day	Montessori	<u>Enrichment Overview</u>
<p>Week 1 4/30-5/4 *4/30-5/4 Scholastic book fair</p>	<p>Rainforest</p> <p>*Learn the layers of the rainforest * Cut, paste, and label the rainforest</p>	<p>South America</p> <p>*Locate S.A. on the map *Learn 5 countries of S.A.</p>	<p>Calendar Routine</p> <p>Discussion: Metamorphosis Share Day (Friday): Wear something with buttons</p>	<p>Zoology: Life cycle of a butterfly Botany: Plants of the RF Science: Make jungle slime Art: Egg carton art Grace/Courtesy: How to pour a drink</p>	<p>Music: Latin American music encompasses a wide variety of styles, including influential genres such as bachata, bossa nova, merengue, rumba, salsa, samba, son, and tango. During the 20th century, many styles were influenced by the music of the United States giving rise to genres such as Latin pop, rock, jazz, hip hop, and reggaeton. Children will have the opportunity to explore these sounds while continuing their routine songs and movement activities.</p> <p>Art: Indigenous art from the Amazon region will be explored as we are studying the rainforest this month. Masks, feather work, bright colors and textiles will be explored so give children an understanding of the art that is produced by native people of the Amazon and other parts of South America.</p> <p>Cooking: Children will explore some of the more popular dishes of South America and the difference of how they prepare meals vs. how we cook in North America. We will continue to practice our reading, measuring and mixing skills as we prepare snacks and dishes throughout the month.</p> <p>Computer: ABC Mouse will continue to guide children with a self-paced curriculum and track their progress through language, math and reading. Parents can check progress at home.</p> <p>Spanish: South American culture will be explored. We will look at pictures of different types of clothing, food and typical life of children from different countries. Children will learn the names of the different layers of the rainforest and the most popular animals that live within the rainforest.</p>
