

Little Acorn Montessori Parent Newsletter

September 2018

We had a great and productive summer program! All the children loved all the fun filled activities. We had in house field trips such as Stoil the magician and a visit from the Alhambra Fire Department discussing fire and safety. The children were super excited about the animal petting zoo visit that took place during our Carnival. Thank you to all staff for making this year's carnival such a great success. Thank you also to all the parents and children that attended this great event! Throughout the summer months the children really enjoyed water play, dance, music, sports, arts/crafts and much more.

Fall is here, and we are excited to start the new 2018-2019 academic school year! We would like to welcome all Little Acorn Montessori new and existing children and parents. As the new school year begins we recognize the importance of early education, and we all want the best for the children we care about. Our purpose here is to encourage, guide, facilitate, and nurture your child's five developmental stages through the first five years of their life. Start of September, each child has an individualized lesson plan in alignment with the Montessori Curriculum. Enrichment programs that we provide after our academic day are music, art, cooking, computer, and Spanish. Extra Curricular programs are Petite Feet Dance, Amazing Athletes Sports, and Tiny Tykes Soccer. If your child is participating in any of the extra curricular programs please make sure to make payments to the participating companies to keep your payments from being lost or misplaced. If you are interested in signing your child up for these programs please look for flyers at the back-door entrance/exit of the school. Petite Feet and Tiny Tyles flyers have been emailed out to all of you.

Hot Lunch Program

We have an amazing cook on site that cooks hot meals daily. We care about the health of the children under our care, and we are helping them to learn to make healthy food choices. The school offers a lunch program, consisting of healthy, balanced and nutritional foods., that include fruits and vegetables with every meal.

Snack Host Program

Throughout the school year we ask parents to participate in this program by providing a snack for their class' morning snack. Sign ups are found on each classroom's bulletin board. Thank you for your help!

September Dates

September 3rd: First Day of School

September 12th: Back to School Night 4pm-5:30pm

Back To School Night

All parents are encouraged to attend Back to School night on September 12th from 4:00pm-5:30pm. Teachers will discuss their classroom expectations and offer the parents an opportunity to ask questions.

Stay Connected with School Website

We have made amendments to our 2018-2019 school calendar. Please make sure you look over the calendar for changes and up-coming events. School calendars have been emailed to all parents. Our school's website is: www.la-montessori.com. On our website, you will find a Parent section with a drop-down option listing each classroom. For passwords please ask your child's teacher or the office administrator. Here, you will find lots of information about what activities your child has been doing or what is planned for the coming month. We will also post photos of activities and up-coming events! Please check us out on Instagram and Facebook!

School Tuition & Fees

Start of August and for this next school year tuition express will be deducted on the 20th of each month for the following month.

For example: For October tuition, tuition will be deducted on September 20th of this month.
