Holiday Recital Our Primary rooms have been rehearsing for an amazing holiday recital that they will proudly perform in front of families and friends. Each class will perform classic Christmas songs. Please join us for refreshments following the performances.

Hathaway-Sycamores Child and Family Services To make our holiday season more memorable, we will be taking part, as we do every year, in giving gifts to the children that are less fortunate. These children are those that have been abused, neglected, and deprived of having a happy holiday. In our classes we read the book the Giving Tree by Shel Silverstein, it's a great book that teaches children how the tree stands alone and provides food, shelter, and love to this boy throughout his whole life. We also discussed the importance of giving and how it makes us feel. Early December Little Acorn will put up a tree with the names of these children and their gift wishes. If you do wish to participate, please pick a tag and return your gift or gift card, wrapped by Friday December 14th. Can you make sure you also sign your name on the list next to the tree, so we can track the progress of the gift tags. Thank you, families, for support in making a child's wish come!
